Our Farm

We Grow our own Feed

Our cows feed on natural cultivated grasses and fodder that grow under zero pollution, producing the finest quality milk with abundant nutrients.

India's Best Desi Gir Breed

Desi Gir cows are a famous milk cattle breed of India. Our cows are from the Gir hills and forests of Gujarat, Rated amongst the best desi cow breeds.

Natural and Nutritional Milk

The milk and milk-derived products from these cows are held in high regard for their therapeutic properties.
